[www.marcodlc.com](http://www.marcodlc.com)

### PROFESSIONAL SUMMARY

I'm a front-end developer with a determination for solving problems, a passion for user experience, and I love to create fun and engaging user interfaces. I'm a fast learner who likes picking concepts apart until I fully understand them. Please view my website linked above for a better look at what I am capable of.

### PROJECTS

#### Yeremiya Wright

##### *Portfolio for a NYC Jazz Vocalist*

[yerrywright.netlify.app](http://yerrywright.netlify.app) | [github](#)

- Created using Vite + React
- Transferred contact form data to the back-end through formSubmit.co
- Implemented a different layout for certain screen widths

#### grimey.limes

##### *Portfolio for an Online Digital Artist*

[marco-dlc.github.io/grimeylimes](http://marco-dlc.github.io/grimeylimes) | [github](#)

- Created using HTML and Javascript
- Extracted data from local JSON to populate a gallery of image files and associated information.
- Diversified how users cycle through art by allowing swiping, dragging, and scrolling.

#### Esper's World

##### *Note-taking App Stylized to a Friend's Liking*

[espersworld.netlify.app](http://espersworld.netlify.app) | [github](#)

- Created using Vite + React
- Persisted data using localStorage to keep the user's notes on reload.
- Implemented class components to separate states for each individual note.

### SKILLS

JavaScript, Front End Design, HTML, CSS, React, Git, User Experience, User Interface Design, Communication Skills, Team Building, Photoshop, Video Editing

### EXPERIENCE

#### *Videographer and Video Editor, J.C. Kapas Real Estate Company August 2023 - Present*

- Filmed and photographed the inside of restaurants for commercial use.
- Traveled across multiple states to meet with restaurant owners and tour buildings.
- Piloted a drone camera outdoors to photograph and film each property.
- Edited the footage together to create videos of restaurants for promotional use.

***Special Ed. Bus Aide, Bergenfield Board of Ed.***

***October 2022 - June 2024***

- Assisted students in need so the bus driver could focus on the task at hand.
- Ensured safety of students with special needs by supervising them.
- Followed protocol so issues could be resolved safely and effectively.
- Went outside the box to meet the needs of every student on board.
